Xerox 6050A
Wide Format Printer

Overview

Hardworking. **Flexible.** Easy to use.

Wide-format digital monochrome
printing for **busy CAD environments.**

Introducing one of the most **productive workers** in your office.

The Xerox 6050A Wide Format Printer. It's easy to operate, flexible and amazingly efficient. Choose from printer-only or multifunction capabilities in four configurations to fit your needs. Get high-quality monochrome images and exceptional detail on a variety of media. With Xerox FreeFlow® Accxes® Print Server, you can add features and print faster within your current workflow. The Xerox 6050A. Find out what it can do for your busy office.

Turn it on and it goes right to work.

From its speedy warm-up to its ability to multitask, the 6050A is all about productivity:

- Print your first copy in just 19 seconds.
- Print speeds of 7 or 9 D/A1-size prints per minute.
- Scan up to 8 ips while printing for faster completion of jobs (multifunction configuration).
- Holds up to four rolls of bond, vellum, tracing paper or film for true media flexibility.
- Sample Copy feature allows you to preview quality settings and eliminate costly mistakes and reruns.

Get sharp, clear images—print after print.

Your important prints, scans and copies deserve nothing less than superior image quality. Count on sharp, precise detail on even the most complex engineering, architectural and schematic renderings.

- Crisp 600 x 600 dpi printing or 600 x 600 scanning.
- With the optional Wide Format Scan System, copies of even worn originals are improved with automatic background suppression.

The 6050A is upgradeable from 7 to 9 D/A1-size prints and is available in these four configurations:

2-Roll Printer

4-Roll Printer

2-Roll Multifunction

Easy to add toner.

Integrated Xerox FreeFlow
Accxes Print Server.

Familiar Xerox FreeFlow
Accxes print driver enables
a fast learning curve.

Holds up to four rolls for
uninterrupted printing and
media flexibility.

Reliability—day in and day out.

You need a printer that puts in a full day's work, every day. The 6050A's design is built on proven Xerox technology.

Flexibility to fit your office and your process.

Get big functionality in a fully integrated solution. The Xerox FreeFlow Accxes Print Server is compatible with your existing workflow applications.

- Consolidate several functions into one and the 6050A quickly becomes your center for productivity.
- Flexible design fits easily into your workflow, your office or your shop floor.
- The Xerox FreeFlow Accxes Print Server offers big improvements in processing speed, features, functionality and scanning to archive while printing another document set adds to its ability to multitask.
- Complete set of printer drivers for graphics, business, and engineering applications (options for PostScript, PDF, DWF, BMP, JPEG, PNG, GIF and DGN).
- Performance upgrades are as simple as downloading new software features.
- Supports virtually all standard industry peripherals.

Count on Xerox-trained service and customer support.

Xerox supports your entire solution, from printer to media and consumables. A responsive network of service professionals is here to help you make the most of your Xerox solution.

Our guarantee is one of the best in the industry. The Xerox Total Satisfaction Guarantee applies to equipment under a Xerox warranty or Xerox maintenance agreement, subject to certain restrictions.

4-Roll Multifunction

Designed for demanding wide format applications like these:

- Architectural or construction plans
- Architectural or engineering renderings
- Schematics
- Electrical diagrams (e.g., wiring)
- Mechanical 2D
- Solids modeling
- Mechanical 3D
- Scientific/Medical
- Seismic
- GIS/Mapping
